FINANCIAL AID

A limited number of financial aid awards are available for students demonstrating financial need. We are grateful to the Noble Foundation for providing the funding which makes these awards possible.

Financial Aid applications must be completed yearly. Financial aid will be awarded to the household, and all listed household members, on a calendar year basis. Once approved, the percentage of financial aid awarded may be used for all household members wishing to enroll in classes throughout the year provided financial aid funds remain. Please retain your financial aid award letter which must be presented as payment during registration.

A positive decision regarding financial aid does not automatically enroll a student in class, nor does it reserve a space for a student in a class. It is the responsibility of the applicant to enroll in the desire class. Enrollment in all Wayne Center for the Arts classes in on a first-come basis.

Please keep in mind that poor attendance or non-attendance for classes registered with financial aid can lead to denial of future financial aid opportunities.

Financial aid awards cannot be used for UNcorked events, special events or tickets and private instruction.

Financial aid awards can be used to pay up to a maximum of 80% of all classes and workshops. All class participants are responsible for all clothing and supply costs associated with classes.

Financial aid awards are based on family income, household size and statement of need. Wayne Center for the Arts reserves the right to require proof of income. The following guidelines will be used to determine financial aid eligibility.
