

LOW BRASS

ISAAC FRANKS

As a graduate of Ashland University with a Bachelor of Arts in Music, specializing in Trombone and low brass, Isaac is

looking to use his knowledge and appreciation for the undervalued brass art form! Whether you're aiming to shine in your school band or gearing up for college auditions, Isaac's lessons are all about making music fun and rewarding. From nailing the basics to tackling tough band pieces and solo works, we'll dive into everything you need to know. Plus, we'll groove through duet styles together, fostering teamwork and musical camaraderie.
