The Levitt AMP Wooster

Music Series brings 7 free outdoor concerts to downtown Wooster, transforming the Wayne Center for the Arts' lawn into a gathering place for families, young professionals, and regional visitors to Wayne County and surrounding communities.

Each concert features nationally and internationally touring artists performing a wide variety of music in a relaxed, family-friendly environment. Sponsorship opportunities are available for every budget and offer visibility throughout the summer at this high-profile community event, with approximately 500 attendees per concert!

WHY SPONSOR?

- Keep these concerts free for the community while positioning your business as a visible supporter of one of Wooster's most well-attended summer gatherings.
- Bring world-class touring musicians to Wooster and strengthen the Arts District
- Support family-friendly cultural experiences and activate downtown gathering spaces
- The series draws audiences from across Wayne County and surrounding communities and creates a shared cultural experience that reflects the vitality of our region.
